

The Lucas Fettes Norfolk Cricket League have appointed Dereham-based 4sports as their official kit and trophy suppliers.

League vice-chairman Jon Cooke (centre) said he hoped the deal with 4sports, who have a showroom at Rash's Green, would benefit the league's 74 teams and he added: "We are happy to recommend 4sports to all our member clubs."

4sports managing director Gary Cockaday (left) said: "Through this announcement we would hope to add to our client list, supplying match kit, training wear and event garments to Old Catton, Drayton, Brooke, Old Buckenham and Norwich cricket clubs."
